Employment Verification Letter

This is to certify, Zheng, Rui from Northeastern University, started his Software Development (Intern) position in Center for Basic and Platform Dept. of CRRC ZHUZHOU INSTITUTE CO., Ltd from June 2018 to August 2018.

The above said student put all his passion and effort into his work. The student tried to find out every problem he encountered and never hesitated to ask senior co-workers for help. He got along very well with others, which in return proved his team-spirit and excellent skills of communication. Also, he was willing to take suggestions from others, and he could work overtime to ensure his work is fulfilled before due. His diligence, attitude and cooperation left all his co-workers and our company a very good impression.

Hereby to certify
